British emigration of persons to Ceylon.

Formal Questionnaire No. 55.

Fort St. George, November 18, 1948

No. 36.

It is understood that fishing boats and other country craft clandestinely convey passengers from the coastal villages of Tanjore and Ramanathapuram to Ceylon for the purpose of engaging themselves in skilled and unskilled work there. Such departure from India is illegal and is an offence under the Indian Emigration Act. The owners and crew of the vessels arriving in each illegal emigration are also liable to prosecution. In this Provision, Madras, Nagapattinam, Tuticorin and Ramanathapuram are the only ports from which emigration is lawful and under the notification of the Government of India, P. No. 35/39, dated 1st August 1939, the departure of any person by sea out of British India to Ceylon for purposes of unskilled work is prohibited unless exempted by the special order of the Central Government or of the Commissioner of Labour. Emigration for purposes of skilled work is not prohibited but it can take place only after the provisions of Chapter IV of the Indian Emigration Act are complied with by the emigrants and others concerned. Skilled workers or seagoing or seagoing workers are advised to get into touch with the Protector of Emigrants, Madras, with regard to the procedure to be followed in such cases. Other passengers who claim that they are not persons emigrating within the meaning of the Indian Emigration Act should be in possession of certificates to that effect which may be obtained from stipendiary magistrates or the Protector of Emigrants, Madras.

British Indian subjects departing from British India in contravention of the provisions of the Indian Emigration Act and those that assist such departure are liable to be prosecuted and, on conviction, to punishment under section 35 of the Indian Emigration Act with a fine ranging from fifty to five hundred rupees.

The following Bill was introduced in the Legislative Assembly on the 26th November 1947:—

L.A. BILL No. 10 OF 1948.

A Bill to amend the Indian Registration Act, 1908, for certain purposes.

Enacted. Whereas it is expedient further to amend the Indian Registration Act, 1908, for the purposes hereinafter specified, It is hereby enacted as follows:—

1. This Act may be called the Indian Registration (Amendment) Bill, 1948.

Enacted 1948. 2. In section 18 of the Indian Registration Act, 1908 (hereinafter referred to as the said Act), after clause (b) the following clause shall be inserted, namely:—

“(b) any person transferring or assigning any share or stake of a firm or any share or stake in any business or any interest in any property or any share or stake in any business, whether by way of or in return, any right, title or interest, whether vested or contingent, of a person less than one hundred rupees, to or in immovable property.”

3. In section 26 of the said Act,—

(a) for the words, letters and letter “and (d) the words, letters and figures”, (d) and (e), section 17, sub-section (1), in so far as such document affects immovable property” shall be substituted; and
(b) for the words, letters and letter “and (e) the words, letters and figures”, (e) and (f) shall be substituted.

Amendment
enacted
on the 26th
Nov. 1947
L.A.

STATEMENT OF OBJECTS AND REASONS.

As the law stands at present, documents referred to in clause (b) of (d) of section 17 (1) of the Indian Registration Act, 1908, fall for the purpose of registration under section 25, whereas documents referred to in clause (e) of section 17 (1) fall under section 26. The result is that if a document of the kind referred to in clause (d) of section 17 (1) is required at the office of a Sub-Registrar when whose jurisdiction he extends to the immovable property situated therein is situated, the Sub-Registrar will register under the property in his own office and send a memorandum or copy of the document under section 41 or section 42 of the Indian Registration Act to the office of the Registrar or Registrar Extraordinary whose local jurisdiction such property is situated. Consequently, there will be an index of the immovable property created by such instruments in any registration office. It is therefore intended to remove this defect by re-enacting part of section 26 of the Act.

It is thus that the Bill is being introduced as to bring it into conformity with section 17 of the Act.

Signed,
The Hon. Deputy M.R.

N. M. MAXWELL.

Secretary to the Government of India

The following Bill was introduced in the Legislative Assembly on the 24th November 1909:—

L.A. BILL No. 12 OF 1909.

4. 298 further to amend the Code of Civil Procedure, 1889
 Whereas it is expedient further to amend the Code of Civil Procedure, 1889, for the purpose hereinafter appearing, It is hereby enacted as follows:—
1. This Act may be called the Code of Civil Procedure (Amendment) Act, 1909.
2. (1) In section 20 of the Code of Civil Procedure, 1889 (hereinafter referred to as the said Code),—
 (a) in the paragraph preceding the proviso—
 (i) after the word "or process" the words "and other process" shall be inserted;
 (ii) for the words "but none" the words "and summons" shall be substituted; and
 (iii) in the proviso—
 (i) after the word "summons" the words "or process" shall be inserted;
 (ii) for the words "or when Court is summoned" the words "at the instance of the Plaintiff or when summons is" shall be substituted;
 (iii) for the words "Court of the Plaintiff" the words "such Court" shall be substituted;
 (2) The substitution made in the said Code by sub-clause (ii) of clause (1) of sub-section (1) and the substitution made in sub-clause (ii) of the said clause with the omission of the words "or process" shall be deemed to have taken effect on the 1st day of April, 1907.
3. In clause (1) of sub-section (1) of section 48 of the said Code, ^{Amendment by the Act No. 20 of 1909} for the figure and words "140 of the Second Schedule to the Indian Legal Code" the figure and words "253 of the First Schedule to the Indian Legal Code, 1907" shall be substituted.

STATEMENT OF OBJECTS AND REASONS

Section 20 of the Code of Civil Procedure, 1889, as it stood prior to its amendment by the Government of India (Adaptation of Indian Laws) Order, 1907, ran as follows:—

"20. Summons issued by any Civil or Revenue Court extends beyond the limits of British India may be sent to the Courts in Indian India and served as if they had been issued by such Courts."

Provided that the Courts issuing such summonses have been established or continued by the authority of the Governor General in Council, or that the Governor General in Council has, by notification in the Gazette of India, declared the provisions of this section to apply to such Courts."

After the adaptation the provision runs as follows:—

"Provided that the Courts issuing such summonses have been established or continued by the authority of the Central Government or of the Chief Commissioner, or that the Provincial Government by whom Courts are summoned is to be served has by notification in the Official Gazette declared the provisions of this section to apply to Courts of the Province."

The substitution of the words "Courts of the Province" for the words "such Courts" previously occurring at the end of the proviso was evidently made for the reason as the obvious intention of the provision is that summonses issued by such Courts only extend to British India (other than the Courts specifically described therein).

as have been notified by the Government of a Foreign vessel be served by the Courts of such Province. The process in such vessels against the persons therein took the Oaths of the Province instituted in the regulations would be required to serve sentences imposed by Courts of any Province as to the British India transportation of which we act upon release has not yet been into a permanent arrangement in this behalf with British India. The present Bill is intended to remedy the mistake made in adoption.

2. The opportunity has also been taken—

- (1) to make it clear that persons who have sentences issued by foreign Courts may also be served under section 29 of the Code; and
- (2) to amend the clause referring to the Indian Evidence Act 1872, to clause (1) of sub-section (2) of section 45 of the Code.

The following Bill was introduced in the Legislative Assembly on the 25th November 1909, viz.

L.S. BILL No. 22 OF 1908.

A Bill for the amendment of the Code of Criminal Procedure, 1898.

Enacted at a session of the Council of Port St. George, 1909, for the purpose hereinafter appearing: It is hereby enacted as follows:—

1. (1) This Act may be called the Code of Criminal Procedure (Amendment) Act, 1908.

Short title and commencement.

(2) It shall come into force on such date as the Council Government may, by notification in the official Gazette, appoint in this behalf.

2. After subsection (2) of section 505 of the Code of Criminal Procedure, 1898, the words referred to as the said Act, the following subsection shall be inserted, namely:—

Amendment of section 505 of 1898.

(1) When the witness resides in British Burma, the witness may be sworn as any British Magistrate or Magistrate of the first class within the local limits of whose jurisdiction is British Burma such witness resides."

3. After section 505 of the said Act the following section shall be inserted, namely:—

Insertion of new section 505A.

"505A. The provisions of subsection (2) of section 505, subsection (1) and (1A) of section 506 and so much of sections 506 and 507 as relate to the examining of a witness and the return by the Magistrate or officer to whom the examination is directed shall apply in respect of examinations made by a Magistrate or Court in British Burma under the law in force in British Burma relating to examinations for the examination of witnesses, as they apply to examinations held under sections 505 and section 506."

Application of section 505A to examinations held in British Burma.

STATEMENT OF OBJECTS AND REASONS

Section 505 of the Code of Criminal Procedure, 1898, lays down that whenever, at the request of an inquiry, a trial or any other proceeding, it appears to a Magistrate, a District Magistrate, a Court of Session or a High Court that the examination of a witness is necessary for the ends of justice, and that the attendance of such witness cannot be procured without an order of arrest, summons or otherwise, for which, under the circumstances of the case, would be unreasonable, such Magistrate, or Court, may depose with such particulars and may cause a commission to any British Magistrate or Magistrate of the first class, within the local limits of whose jurisdiction such witness resides, to take the evidence of such witness. Prior to the 1st April 1902, such commissions could be issued for the taking of evidence of persons residing in Burma, but since the separation of the Province from British India it is no longer possible for British Indian Courts to obtain the evidence of witnesses as before in examinations in criminal cases. This Bill proposes to empower British Indian Courts to issue commissions to any British Magistrate or Magistrate of the first class in British Burma to take evidence of persons residing within the local limits of his jurisdiction, and also to empower the British Indian Courts to execute commissions issued to Courts in British Burma. The Government of Burma have agreed to this course and to undertake reciprocal legislation

on their side as far as circumstances allowed by British Indian Courts for services in British Burma and the issue of compensation by Courts in British Burma for services in British India are concerned.

L.A. BILL No. 36 OF 1948.

A Bill further to amend the Indian Navy (Discipline) Act, 1934, for certain purposes.

WHEREAS it is expedient further to amend the Indian Navy (Discipline) Act, 1934, for the purposes hereinafter appearing, it is hereby enacted as follows:—

1. This Act may be called the Indian Navy (Discipline) Amendment Act, 1948.

2. In the Naval Discipline Act as set out in the First Schedule to the Indian Navy (Discipline) Act, 1934,—

(a) in the first paragraph of section 45 the following shall be added, namely:—

(b) in section 45, for the words "corporal punishment shall be deemed equal in degree to imprisonment, and" the following shall be substituted, namely:—

"imprisonment shall be deemed equal in degree to penal servitude, and corporal punishment shall be deemed equal in degree to imprisonment and"

¹ The Government has been pleased to give the Government approval by section 10 (1) (b) and with effect (1) (a) of the Government of India Act, 1935, to the Government of the Legislative Assembly of Madras.

STATEMENT OF OBJECTS AND REASONS.

The U. K. Naval Discipline Act provides for the imposition of purely naval punishments, such as the deprivation of post, coastal badge, etc. punishments, etc. for various offences for which imprisonment or fine may not be altogether suitable. Section 45 of the Indian Navy (Discipline) Act, 1934, however, provides the imposition of such punishments except in a summary manner. It is accordingly proposed to amend that section so as to make legal the imposition of naval punishments according to the nature of the offence. The amendment in section 45 of the Act is of a formal character.

mark" which is based on the definition of that expression in the Trade Marks Act, 1930. The said definition applies both to trade marks which are used in British India and trade marks which are used by registered goods in the Indian Trade Marks Act. It is also considered that the definition of the expression "trade mark" should properly correspond with that in the relevant Indian legislation on trade marks, namely, the Trade Marks Act, 1930, rather than with the definition in the Indian Copyright Act.

Clause 8.—Sub-section (d) provides for advertisements which are consequential to the definition of "mark" proposed under clause 2.

Sub-section (e) provides for a new element helping to constitute a "false claim or pretence", namely, the name or initials of a fictitious person or of a person not carrying on business in connection with goods. The purpose of this sub-section will position the use of imaginary names, not being a trade mark, so that buyers may not be led to believe that the goods are manufactured by a firm when in such firm exists.

Clause 4 offers clause amends section 3 of the Act so as to provide a penalty for failure to comply with the requirements which might be imposed under the proposed new section 12A of the Act.

Clause 4.—This clause provides a penalty for tampering with, altering or affixing a mark applied in pursuance of the requirements which might be imposed under the new section 12A of the Act, namely, to mark goods with their place of origin.

Clause 5.—This clause makes in section 3 of the Act the necessary addition to enable goods, in respect of which the new scheme created by the proposed section 12A, read with section 3 in new amended, has been introduced, to be labelled.

Clause 7.—Section 12 of the Act prohibits the removal of name-goods manufactured in British India from the possession of the factory numbers having stamped on each piece the length thereof. Sub-section (2) of the proposed new section 12 provides that in addition to the stamping of the length on each piece the name of the manufacturer or of the wholesale merchant should also be marked on it. Sub-section (3) thereof extends the above marking requirements to certain goods manufactured in British India by providing for the compulsory marking on each bundle of parts of the name of the manufacturer or of the wholesale merchant, the weight of the bundle and the count of parts contained in the bundle. Sub-section (4) thereof provides a penalty for non-compliance with the requirements above varying proposed under sub-sections (1) and (2) of the new section 12 of the Act.

Clause 8.—This clause provides for the chief object of this amending Bill, namely, power to decide that goods shall be marked with the country of origin. It proposes that certain goods (except "trunk" goods, whether Indian or foreign, and which may be specified by notification by the Central Government, should have applied to them marks of origin, and that such notification shall be issued after enquiry by the Central Government either on its initiative or on consideration of an application from the interests concerned. Most of the commercial bodies in India are in favour of compulsory marking of origin on all foreign goods imported into British India, but this method proposed is designed both to make the marking requirement capable of being enforced effectively through the administrative machinery available and to extend it at the same time to all cases where such marking is proved to be necessary and in the interests of the public.

Clause 9.—This clause provides for the marking of sales by the Central Government for the purpose of administering the provisions of clause 7.

The following Bill was introduced in the Legislative Assembly on the 26th November 1947:—

L.A. Bill, No. 27 OF 1948.

A Bill further to amend the Indian Companies Act, 1926: Whereas it is expedient further to amend the Indian Companies Act, 1926, for the purpose hereinafter appearing; It is hereby enacted as follows:—

Short title and commencement.

Enactment of Bill in 1948.

Enactment of Bill in 1948.

The following Bill was introduced in the Legislative Assembly on the 25th November 1940—

L.A. BILL No. 31 OF 1940

A Bill for enable companies in British India to make donations to public funds raised, and to make investments in Government loan Stock, for the purpose of assisting the prosecution of the present war.

WHEREAS it is expedient to enable companies in British India to make donations to public funds raised and to make investments in Government loan Stock, for the purpose of assisting the prosecution of the present war;

AND WHEREAS it is also expedient to reserve duties as to the liability of such companies and investments where already made, it is hereby enacted as follows—

1. This Act may be called the War Donations and Investments Bill.

2. In this Act "Government loan" includes a loan issued by the Government of the United Kingdom.

3. Any company formed and registered under the Indian Companies Act, 1913, or under the Indian Companies Act, 1930, or under the Indian Companies Act, 1933, or under any Act or Acts repealed thereby may, notwithstanding anything contained in the Indian Companies Act, 1913, and notwithstanding that the memorandum of association or the articles of association of the company do not enable it to do so, by special resolution authorize the making of a donation from the company's assets to a public fund raised, or the making of an investment in the company's assets in a Government loan issued, for the purpose of assisting the prosecution of the present war.

4. Any donation to a public fund raised, and any investment in a Government loan issued, for the purpose of assisting the prosecution of the present war made by any company in which this Act applies becomes on the 1st day of September 1940, and the commencement of this Act shall be so valid in all respects as if it had been made in accordance with the provisions of section 5, and after the commencement of this Act.

5. If any question arises whether for the purpose of this Act Section of a loan is a Government loan issued for the purpose of assisting the prosecution of the present war or whether a fund is a public fund raised for the purpose of assisting the prosecution of the present war, the question shall be decided by the Central Government whose decision shall be final.

STATEMENT OF OBJECTS AND REASONS

There have come to light in which certain class registered under the Indian Companies Act, 1913, have left Companies largely defunct from making donations to war funds because their Memoranda of Association do not authorize such donations and these Memoranda cannot be altered under the existing provisions of the Act so as to make such contributions possible.

It is therefore proposed by means legislation enabling a company registered under that Act, whether a rich or poor, to make any contributions to public funds raised or to make any investments in Government loan stock issued. The Bill is designed to remove the above, and to give retrospective validation to any action of the kind already taken by a company since the outbreak of war.

The following Bill^a was introduced in the Legislative Assembly on the 5th September 1946:—

L.S., BILLS No. 35 OF 1946.

1 A Bill to amend the Motor Spirit (British) Act, 1937, whereby it is expedient further to amend the Motor Spirit (British) Act, 1937, for the purpose hereinafter appearing; it is hereby enacted as follows:—

2 This Act may be called the Motor Spirit (British) Amendment Act, 1946.

3 In section 2 of the Motor Spirit (British) Act, 1937, by the definition of motor spirit the following shall be substituted, namely:—

"Motor spirit" means—
(a) any inflammable hydrocarbon (including any mixture of hydrocarbons or any liquid containing hydrocarbons) which is capable of being used for producing mechanically efficient motive power for any form of motor vehicle, and
(b) power alcohol, that is alcohol obtained of any grade (including such alcohol when denatured or otherwise treated) which, either by itself or in admixture with any such hydrocarbon, is capable of being used as aforesaid."

^a The Government has been pleased to give the Government's sanction to the Bill in its amended form, and the Bill has been introduced in the Legislative Assembly of the State.

STATEMENT OF OBJECTS AND REASONS.

The production in British India of power alcohol is being developed for the purpose of meeting with petrol in power alcohol, and by Government legislation such advance has to be made compulsory.

Power alcohol in its natural form, not being a hydrocarbon, does not fall within the definition "Motor spirit," contained in section 2 of the Motor Spirit (British) Act, 1937, but when mixed with petrol the mixture falls within that definition and the whole then becomes taxable as a motor spirit.

By the Motor Spirit (Power Alcohol) Standard (Budget) Order, 1945, the entire duty on the power alcohol content of such mixtures is accordingly levied only at the mixture plant.

It is considered that the levy of excise duty on power alcohol made more extensively take place at the source of production, i.e., at the distillery. To enable this to be done this Bill proposes to make power alcohol taxable independently of petrol by bringing it in the amended form within the definition of "Motor spirit."

STATEMENT OF OBJECTS AND REASONS.

The object of this Bill is to remedy certain hardships caused by, and remove defects in, the existing provisions of the Indian Income-tax Act, 1905. The provisions of the Bill fall into two main categories. Clauses 2, 4, 11, 12 and 14 are machinery provisions; the clauses are more fully explained in the notes below.

New Delhi,
27th October 1916.

A. J. RAJAN

NOTES ON CLAUSES.

Clause 2.—The proposed definition of "company" follows the definition recently passed by the Legislature in the Finance Bill, 1916. It differs from the existing definition in the following respects:—

- (a) it includes a company formed in pursuance of a law of an Indian State;

(b) is dropping with the resolution that a foreign assistant is to be declared a "company" now be carrying on business in British India.

Clause 20.—This amends section 2 which deals with appointments of Income-tax authorities. The amendments are designed to set forth more clearly and to equal with the powers of the Department in being resolutions to examine more carefully difficulties and to prevent overlapping of functions. Certain of the changes made have been given effect retrospectively from the date on which Part I of the Income-tax Act, 1922, came into force.

Clause 21.—This removes the provisions relating to the Appellate Tribunal from Chapter II, which deals with income-tax authorities, and makes a formal correction in sub-section (2) of section 24.

Clause 22.—This removes a legitimate provision of property matters. The amendment provides that the allowance for recovery shall be given on the gross estate value and not on the net estate value.

Clause 23.—The first amendment provides for relief in the case of non-residents with world incomes in whose hands is owned by deduction of tax at the maximum rate. The amendment will not give relief in the tax year but will reduce the Department of the work involved in dealing with numerous refund claims.

The second amendment provides that deductors of tax at source shall not apply to institutions such as "schools and colleges" owned or controlled by a school teacher and a non-resident teacher. The amendment covers not the situation of the first person in section 45.

Clause 24 amends section 53A which is designed to check avoidance of payment. As the section stands, it comes into operation when 10 per cent of the company's assessable income after deduction and expenses have been paid is distributed. The amendment provides that the requirement shall be a distribution of 50 per cent of the assessable income or reduced by the amount of dividend and super-tax payable.

Clause 25 amends section 26 which gives power to impose penalties. As the section stands with section 25 (2) stands, it is not possible to impose a regulated firm since it is not possible by the law book to be parties. The amendment removes this defect and thereby puts a regulated firm on the same footing as other companies, F.P., firms, regulated lenders or regulated firms.

Clause 26 and 26 (2a) which regulated present funds and are designed to make the provisions governing these funds more liberal and wider.

Clause 27 amends a defect in the Schedule which lays down the rules for the computation of the profits of companies income. Sub B, as it stands applies the Schedule to the assessment of profits of an Income-tax business carried on by a single person company. As mutual insurance business is carried on by persons other than companies, this change is necessary. Without this change, the mutual insurance business of persons other than companies would have to be assessed on the conventional income without any allowance for expenditure on management.

Clause 28.—When the Income-tax Appellate Tribunal continues in function, Part II of the Income-tax (Amendment) Act will come into force and the Commissioner's power of hearing appeals (section 22), his power of refusal (section 23) and his functions in respect

of applications for warrants to the High Court will come before the Bench for consideration. It is necessary that persons should be made aware of the fact that the High Court will not entertain applications for warrants unless they are made in accordance with the provisions of the High Court rules. The amendments in this clause are designed for this purpose.

The following Bill* was introduced in the Legislative Assembly, on the 24th November 1939, —

L.A. 1939, No. 41 OF 1939.

- 4 THE Bill further to amend the Code of Criminal Procedure, 1908.
- WHEREAS it is expedient further to amend the Code of Criminal Procedure, 1908, it is hereby enacted, as follows: —
1. (1) This Act may be called the Code of Criminal Procedure (Amendment) Act, 1939.
- (2) It shall extend to the whole of British India.
- (3) It shall come into force on such day, as the Government-General in Council or Council
2. In clause (f) of sub-section (4) of section 4 of the Code of Criminal Procedure, 1908, —
- (a) the words and figures "41" occurring before the words "are to include" shall be omitted;
- (b) the words, figures and figures "and" (2) any other person appointed with the permission of the Court to act as such presiding" shall be omitted; and
- (3) the words occurring after the word "omitted" a Bill shall be substituted.

* The Government-General has passed to amend the previous section, subject to sub-section (2) of the Government of India Act, 1935.

STATEMENT OF OBJECTS AND REASONS.

(1) The purpose of Government sought to be amended which allows persons acquainted people to appear and act in a criminal case with the permission of the Court, was amended when qualified persons were not only available and could be engaged only in a heavy cost. At present there is no court of persons. This provision of law has, therefore, resulted in delay.

(2) This amendment is against the spirit and letter of the Legal Practitioners Act.

(3) The Government wanted in the amendment is responsible for trouble of many an undesirable men enjoying the patronage of the magistrates.

(4) There is no intention to eliminate the Government of these men. It is considered that these "unimpaired" persons are to responsibility in any way, whereas highly qualified persons have to abide by the rule of High Courts and the provisions of the Legal Practitioners Act.

(5) These persons were originally allowed to appear in the persons of providing a possible education of justice, but the results are now worse than the one sought to be achieved.

(6) In practice the engagement of such men is more costly than that of properly qualified men as they have less to expect without fees or salaries more than any one.

(7) Members of the Bar whose skill is now unemployed are at a great disadvantage in their practice and their employment methods of giving themselves up.

(8) In recognizing the quality of the Bar to allow such men to appear and appear qualified members of the Bar, it is high time that the existing provision be amended from the Code.

The following Bill was introduced in the Legislative Assembly on the 10th November 1900:—

L.A. BILL NO. 45 OF 1900

A Bill further to amend the Code of Criminal Procedure, 1898, inasmuch as it is expedient further to amend the Code of Criminal Procedure, 1898, it is hereby enacted as follows:—

Enacted

1. (1) This Bill may be cited the Code of Criminal Procedure (Amendment) Act, 1900.

(2) It extends to the whole of British India.

(3) It shall come into force on such day as the Governor-General in Council so directs.

Short title,
extent and
commencement.

Enacted

2. In subsection (2) of section 530 of the Code of Criminal Procedure, 1898, for the words "by a Magistrate of the second or third class (as to pay) compensation as has been ordered by any other Magistrate in any proceedings concerning fifty rupees" the words "by any Magistrate or any Commissioner" shall be substituted.

Amendment of
section 530,
of C.P.

STATEMENT OF OBJECTS AND REASONS.

Under section 530, subsection (2), an order of compensation is applicable when it exceeds Rs. 50. The result is that some Magistrates are precluded from making an order of compensation if the order is less than Rs. 50 or less in order that the order may not be appealed against. It is now that a revision application could be filed against such an order, but a revision application involves a complete procedure. High Courts are unable to entertain revision applications directly. They wait the appeal to the High Court, the Sessions Court or the District Magistrate to make a recommendation to them for revision of the order made under 530, Criminal Procedure Code. The hearing of the revision application in the High Court ordinarily takes up time from 2 to 6 months after a report from Sessions Court. It also enables the appellant party to a lot of expenditure in having to engage counsel for two Courts and also in having to go to the seat of the High Court to prosecute the application.

High Courts are also full up with criminal and civil work so a revision from the High Court gets additional delay. The power of High Courts to revision the absolutely discretionary and uncontrolled manner wherein the appellate courts of every appeal Court are in actual practice there freely exercised. There has changed and there is no point why a person aggrieved at compensation of Rs. 50 or less should have no right of appeal.

Production of arrested person under 16 before Juvenile Court, and provisions of such Court.

Madras Act IV of 1920.

Provided that if the Juvenile Court is satisfied on inquiry that such person has attained the age of sixteen years, it shall record a finding to that effect, and thereupon it shall be upon the Police to proceed against such person under section 71-A, or in case a place has been notified as a workhouse, under section 71-C; and in the latter case the medical officer referred to in section 71-C shall be required to certify only regarding the physical capacity of such person for ordinary manual labour, and the finding of the Juvenile Court regarding the age of such person shall also be binding on the ordered Presidency Magistrate before whom he may be produced.

(2) If the Juvenile Court finds on inquiry that any person brought before it under sub-section (1) has not attained the age of

fourteen years and is guilty of an offence under section 71-A and that he—

- (a) has no home or settled place of abode, or visible means of subsistence, or has no parent or guardian who does not exercise proper guardianship, or

- (c) in the case of a parent or guardian who by reason of criminal or drunken habits is unfit to have such care,

the Court may pass such order in respect of the offender as it could have passed if he had been brought before it under sub-section (1) of section 28 of the Madras Children Act, 1929:

Madras Act
of 1929.

Provided that if the Juvenile Court is satisfied that it is inexpedient to send the offender to a certified school by reason of his bodily ailment or incapacity or other cause, the Court may, if a place has been notified as a special home under section 71-B and separate accommodation is provided in such home for persons who have not attained the age of fourteen years, order his commitment to such home for a specified period not exceeding three years.

- (3) If the Juvenile Court finds on inquiry that a person produced before it under sub-section (1) has attained the age of fourteen years but has not attained the age of sixteen years and that he is guilty of an offence under section 71-B, the Court may order his commitment for a specified period not exceeding three years—

- (a) in case it finds that he is physically capable of ordinary manual labour, to a workhouse, if one has been notified, and
- (b) in case it finds that he is not physically capable of ordinary manual labour, to a special home, if one has been notified.

- 71-K. (1) The Provincial Government may, by notification in the *Fort St. George Gazette*, make rules for carrying into effect the provisions of sections 71-E to 71-J.
- (2) In particular and without prejudice to the generality of the foregoing power, such rules may provide for—

Power of
Provincial
Government
to make
rules for
carrying
into effect
sections
71-E to
71-J.

- (a) the management of workhouses and special homes, the detention of persons committed to such workhouses and special homes, and the maintenance, care, treatment and instruction of such persons, including all matters relating to their diet and accommodation as well as their labour and general conduct;
- (b) the discharge of persons from such workhouses and special homes;
- (c) the obtaining of suitable employment outside such workhouses and special homes for persons detained therein; and
- (d) the nature, incidents and maximum periods of the punishments to be imposed on persons detained in workhouses and special homes for breach of any rules or for failure or neglect to accept any suitable employment outside such workhouses and special homes which may be obtained for them."

STATEMENT OF OBJECTS AND REASONS.

The Corporation of Madras has under consideration a scheme for the establishment of a workhouse for able-bodied beggars in order to minimise the beggar nuisance in the City of Madras. The Corporation also proposes to provide, in due course, a special home or homes for diseased and infirm beggars. The existing law does not empower the Corporation or the Police or the Magistracy to commit beggars to a workhouse or special home against their will. An amendment of the law is therefore necessary. The object of this Bill is to incorporate suitable amendments for the purpose in the Madras City Police Act, 1913 (Madras Act III of 1913).

2. Under the B.I., beggars above the age of sixteen will be dealt with by selected Presidency Magistrates who may commit them, if able-bodied, to a workhouse. Beggars who are physically disabled may be sent to a special house if one has been established. The period of detention in workhouse or special house is not to exceed three years in any case. Provision is made for the release of able-bodied beggars who give an undertaking not to beg within the city and parishment is provided for those who violate such an undertaking. Youthful beggars who are below sixteen years of age will ordinarily be dealt with by a Juvenile Court under the Madras Children Act, 1920. The Juvenile Court has been empowered to commit beggars between the ages of fourteen and sixteen to a workhouse if they are able-bodied, or to a special house where one has been established, in other cases. Power has been taken to make rules for the management of workhouses and special houses, the detention of beggars committed to such workhouses and special houses and the maintenance, care, treatment and instruction of such beggars. Rules may also provide for the obtaining of suitable employment outside the workhouse or special house for beggars detained therein and for the punishment of any beggar who refuses or neglects to avail himself of such employment when offered to him.
